X-9026

SECRET

17 December 1948

MEMORANDUM

TO: Chief of Station, Heidelberg

FROM: FBH and VTO

SUBJECT: Joachim HEINERT notary C

REFERENCE: MSH 005 1125

No record on subject except Berlin reports available to you. While this case might conceivably turn out to be either provocation or penetration on the part of the Russians, it seems more likely that the case officer's analysis of the case is the correct one.
